NOTICE

The Regulation 14.4.2 of the **Maharashtra Electricity Regulatory Commission (Electricity Supply Code and Other Conditions of Supply) Regulations, 2005**, in regard to testing of the consumers' meters, prescribes the following:

The consumer may, upon payment of such testing charges as may be approved by the Commission under Regulation 18, request the Distribution Licensee to test the accuracy of the meter:

Provided that the consumer may require the Distribution Licensee to get the meter tested at such facility as may be approved by the Commission.

With reference to above, the Commission hereby notifies that all the meter testing laboratories, in India, which have been accredited by the 'National Accreditation Board for Testing and Calibration Laboratories' ("NABL"), set up by the Govt. of India, and whose accreditation remains valid at the time of the meter testing (as per the NABL website), shall be considered as being on the list of the Testing Laboratories approved by the Commission. Providing a list of such Laboratories to the concerned consumer, shall be the responsibility of the concerned Distribution Licensee.
