

MAHARASHTRA ELECTRICITY REGULATORY COMMISSION

World Trade Centre, Centre No.1, 13th Floor, Cuffe Parade,
Colaba, Mumbai-400005

REQUIRES

STIPENDIARY ANALYSTS

The Maharashtra Electricity Regulatory Commission (MERC) was established on August 5, 1999 under the Electricity Regulatory Commission Act, 1998. The said Act was superseded by Electricity Act (EA), 2003. The Commission has continued to function under Section 82 of the Electricity Act, 2003, wherein the role and functions of the Commission have been elaborated. The functions of the Commission are quasi judicial, quasi legislative and executive. A copy of the Electricity Act, 2003, Regulations notified by the Commission, Orders released till date by the Commission and other related information is available on the MERC's website www.mercindia.org.in.

The Commission is inter alia mandated to deal with the following Technical/Financial / Legal matters:-

Technical & Financial Matters

- Evaluation and approval of Annual Revenue Requirement (ARR) and Determination of Electricity Tariff/Multi Year Tariff chargeable to the consumers by the Distribution Licensees, Transmission Licensees and Generation Companies;
- Vetting of Fuel Adjustment Charges (FAC) and examining the capital expenditure (CAPEX) proposals of Distribution and Transmission licensees;
- Proposal regarding procurement/purchase of power;
- Determination of Tariff and Regulations for Renewable Sources of Energy;
- Promotion of Co-generation and generation of electricity from Renewable Energy Sources;
- Load Shedding Protocol;
- Demand Side Management (DSM);
- Demand Forecasting.

Legal Matter

- To scrutinize and process all new Cases/Petitions;
- To legally process Record of Proceedings (RoP), Draft Orders;
- To deal with the work relating to Writ Petition / PIL and its submission before the High Court and Appeals before the Appellate Tribunal / Supreme Court;
- To attend the hearing and prepare Record of Proceedings and assisting / vetting of Draft Order;
- Legal scrutiny of the draft Regulations being made by the Commission;
- Legal scrutiny of the draft tariff Orders issued by the Commission;
- Preparing brief summary of the Orders issued by the Commission.

For discharging the aforesaid technical, financial, legal task, the Commission intends to appoint ‘**Stipendiary Analysts**’ in the office of the Commission.

The methodology for carrying out the above task would inter alia include examining the proposals received from the Distribution Licensees, Generating Companies, Generators of Renewable Energy and making suggestions to the Commission in the matter. Initially, the experienced officers of the Commission will guide the “**Stipendiary Analysts**” Thereafter, the work assigned to the Stipendiary Analysts will have to be done by them independently.
